COCOMOON CHARACTERS

The Elder, Lochaber, is a medium height, somewhat slender man with golden skin who is married to a woman of similar appearance. He can wield various spells and has a skill for conducting a ritual. He is the founder and ruler of the Elden Ring.

:Dawn The bright young princess of the village of Cung, she is a medium height girl with long black hair. She has a temper, but is still a child in many ways, and is the daughter of the mayor of Cung. She is the princess of the land of Cung, and the granddaughter of the eldest princess of the Fire Magician.

:Callow A tall man with bronze skin, he is Ziriell's assistant. He was born the illegitimate son of a deity of fire and is a member of the Hermes Tribe.

:Ziriell The various gods of the Land Between, Ziriell was originally a powerful demon-like individual. After he transformed and was selected as a god, he was worshipped by the humans of Naga Village, and he changed his nature to become a kindly deity. He now lives in Naga Village with the rest of the gods.

:Zack Ziriell's right-hand man, Zack is a short man with red hair. Since he was a human, he has the visual recognition ability of a god, but now spends his time learning all the skills of a human.

:Upper Goddess The eldest goddess of the fire god family. Her name is spoken in an ancient language.

:Crescent The fire deity who holds the power of wind and is also the god of the wind.

:The Fiery Prophet A little girl who appears at the end of the story of the fire deity family.

• **The Smallest of the Gods** The fire god who holds the power of wind and is also the god of the wind.

:Pilate The gun god who holds the power of air and is also the god of the wind.

:Prester John The water god who holds the power of water and is also the god of the wind.

:Aurora
The

The Seven Banners of the Sunlight Empire are waiting for you

Story:

The maiden fall into Despair, her world is shattered with evil rituals and magical flows, she has been transported to the realm of the Forgotten City. In addition to that, there is a shadow in the depths of darkness that causes just as much fear and hatred. In this world where no light exists, monsters called "Krake" manuevrously run wild, their cries echoing in the distance...

Features of online gameplay:

- RUNAWAY
 - You can now grow your own Cursed Fragment(Cursed Bit Fragment) that increases the damage of "Rune" from monsters when available. It is more convenient to get in touch with others who live in other areas of the world.
 - You can now summon "Monsters with a special role" from "Monster Creation" or search for that monster in the map with "Monster Notification".
 - You can now add various tags to monsters with the "Monster Tags" function and use those tags to search for monsters.
 - You can now transfer the monster tags of one player to other players.
 - It is more convenient for everyone to share monsters by using "Monster Society."
- GEOGRAPHY From the mid of this game, GEOGRAPHY has been improved and completed.

Main Features of Single-player Mode:
